Intro mdshow

Turn markdown files into beautiful presentations quickly.

Markdown

`mdshow` is built to quickly turn ideas into beautiful presentations. The text-based markdown format is the tool of choice to do just that!

Features

- Built with reveal.js 4.0 and pandoc 2.9
- Focus: stays out of the way
- Enterprise: theming and PDF conversion
- Setup: super fast
- Presentation: looks great with the power of the browser at your fingertips

See for yourself.
